hoj314@gmail.com

(314) 601-5160

Objective

To secure a full-time computer engineering position to best utilize my knowledge and expand on my learning, skills, and experiences to further develop my career

Education

Missouri University of Science and Technology

May 2019

B.S. Computer Engineering

GPA: 3.2/4.0

Experience

MERCY – Field Service Technician

Oct 2019 – Present

- Communicated effectively with end-users on their requirements to be met
- Troubleshoot and implement solutions to avoid future problems
- Configure and install computer hardware, software, and networking for end-users

Missouri S&T – Senior Design Project

Aug 2018 – May 2019

- Coordinated with team members to design an 8-bit computer course curriculum
- Researched and assembled parts and components to create an 8-bit computer
- Analyzed and documented necessary requirements for improvement

Courses

Computer Organization and Design

Embedded Processor Design

Electronics

Digital System Design

VLSI Design

Network Communications

Basic PLCs

Microcontrollers & Embedded Systems

Skills and Languages

C/C++

Python

Cadence

Assembly Language

Microsoft Office

Modelsim

Altera Quartus II

MATLAB

Altium
